The Investment Manager is required by the FCA to obtain sufficient evidence in order to determine whether an investment into the Fund is suitable for the Investor. The Investment Manager is entitled to rely, and will rely, on the findings of a suitability assessment performed by an authorised financial adviser such as an IFA. The Investment Manager, however, reserves the right to request verification of the findings from the authorised financial adviser should it be necessary.

We hereby give reasonable assurance to the Investment Manager that the Investor’s expertise, experience, knowledge and financial situation results in the Investor’s capability to invest in the Fund and their understanding of the risks involved in a participation in the Fund.

2. Anti-Money Laundering Due Diligence

We have applied customer due diligence measures in respect of the Investor to the standard required by the Anti-Money Laundering Regulations 2017 within the guidance for the UK financial sector issued by the Joint Money Laundering Steering Group and certify that we have:

Obtained information on the purpose and intended nature of the Investor’s proposed investment in the Velocity SEIS Technology Fund 4 and we are satisfied that this investment is being made for bona fide legitimate purposes and not to conceal the proceeds of crime; and

Identified and verified the identity of the Investor on the basis of documents, data and information obtained from a reliable and independent source. Should we subsequently become suspicious of any such activity then, subject to legal constraints, we will inform the Investment Manager’s Compliance Officer immediately.

We consent to Sapphire Capital Partners LLP and Woodside Corporate Services Limited relying on this certificate and that copies of all identification documentation obtained will be made available on request.

Appropriateness Review

(to be completed by the Investor)

1. Investment Objectives

The Investment Manager is required by FCA rules to obtain sufficient information from you to determine whether investment in the Fund is appropriate for you.

Investments in the Fund are intended to be medium to long term and must be held for at least three years to qualify for SEIS Relief. Investment in unquoted companies carries a higher risk than investing in shares quoted on public exchanges such as the London Stock Exchange. Any investment should be made on the basis that it is likely to be at least five years before there is any prospect of it being realised. A four to eight-year timescale is probably realistic. You should be comfortable with this time horizon and acknowledge that you will not need any income or capital back during this time period.

If you cannot take advantage of the SEIS tax reliefs investments in the Fund are unlikely to be appropriate investments for you. Please answer the questions below.

Are you seeking to claim income tax relief from SEIS? (You should have sufficient tax liability in the relevant tax years) Yes No

Is it essential that you carry back income tax relief to the previous tax year? If yes, please indicate how much/what proportion? Yes No
£ %

Are you seeking to benefit from relief from inheritance tax? Yes No

Are you seeking to defer a capital gain? Yes No

If the answer is Yes, please indicate the date on which the gain you wish to defer arose, or will arise or was crystallised if previously deferred? Date

Have you received any taxation advice relating to investment in the Fund? Yes No

Have you received any specific investment advice (e.g., from an FCA authorised financial adviser)? Yes No

Are you aware of any significant capital commitments within the next five years which cannot be funded from your disposable income or liquid savings? Yes No

If your answer to the question above is Yes, please confirm how this commitment will be funded

2. Investment Experience

2. Investing in the Fund

- 2.1 This Agreement will come into force on the date that the Investment Manager accepts the Investor's Application Form and monies are subscribed to the Fund, such acceptance being solely at the discretion of the Investment Manager.
- 2.2 This Agreement appoints the Investment Manager, once the Minimum Fund Size of £200,000 has been received in aggregate (or such other amount as determined in the Investment Manager's absolute discretion) as a common discretionary investment fund manager to act on the Investor's behalf to make Investments in SEIS Qualifying Companies and to manage those Investments on behalf of all Investors in the Fund within the Fund collectively. The Investment Manager agrees to accept its appointment and obligations on the terms set out in this Agreement.
- 2.3 The Investment Manager is an authorised person for the purposes of the Act and as such is regulated by the FCA. The Investment Manager is a limited liability partnership registered in Northern Ireland under registered number NC000562 and with a registered address at 28 Deramore Park, Belfast BT9 5JU Northern Ireland. - 2.6 The Investor acknowledges that he/she will be categorised as a Retail Client by the Investment Manager for the purposes of the provision of the services under this Agreement though for the purposes of the FCA Rules the Fund as a whole will be the client of the Investment Manager and not the Investor.
- 2.7 The Investor confirms that he/she is not seeking advice from the Investment Manager on the merits of any Investment into the Fund.
- 2.8 The Investment Manager may retain information about the Investor and the Investor's affairs in order to confirm the Investor's identity and financial standing (amongst other things the Investment Manager may make enquiries to a credit or mutual reference agency, which may retain a record of the enquiry). The Investor agrees that the Investment Manager may do this.
- 2.9 Anti-money laundering regulations aim to prevent criminal property being utilised or concealed as legitimate wealth. To meet the requirements of these regulations the Investor may have to produce satisfactory evidence of their identity before their Application Form can be accepted, and from time to time thereafter. This process of identification is to assist in the prevention of crime within the financial services industry. If the Investor does not provide the information when required, the Custodian and the Investment Manager may be unable to accept any instructions from them or provide them with any services.

3. Cancellation Rights

- 3.1 Following receipt of an Application Form, the Custodian will write to the Investor acknowledging receipt of the application. If the Investor wishes to exercise his or her right to cancel, the Investor must notify the Custodian in writing within 14 calendar days of the acceptance of the application and receipt of the Subscription monies, by writing to the Custodian.
- 3.2 If the Investor exercises their cancellation rights, the Custodian shall refund any monies paid by the Investor less any charges the Investment Manager has already incurred for any service undertaken in accordance with the terms of the Agreement. Please note that the Custodian is obliged to hold the Investor's investment monies until such time that sufficient identification documents have been provided to satisfy its anti-money laundering obligations.
- 3.3 The Investment Manager shall procure that the Custodian endeavours to arrange the return of any such monies as described at Clause 3.1 as soon as possible (but in any event, not more than 30 days following cancellation or the completion of its anti-money laundering obligations, whichever is the latest). The Investor will not be entitled to interest on such monies.
- 3.4 If the Investor does not exercise this right to cancel within the requisite time period, the Investor will still be entitled to exercise his or her right under Clause 15 below to terminate this Agreement, which is a separate right.
- 3.5 The right to cancel under the FCA Rules does not give the Investor the right to cancel/terminate/reverse any particular investment transaction executed for the account of the Investor before cancellation takes effect.
- 3.6 The Investor shall retain beneficial ownership of the assets in the Fund at all relevant times.

4. Subscriptions

- 4.1 The Investor:
- 4.2 must make a Subscription to the Fund of not less than £25,000 at the same time as submitting his/her Application Form to invest and may make further Subscriptions. The Investor may make a withdrawal from his/her Fund and terminate this Agreement subject to Clause 15 below.
- 4.3 Subscriptions received shall be deposited in an account pending their investment.
- 4.4 Where Subscription monies are invested in SEIS Qualifying Companies, any monies transferred to the Investee Companies are solely in consideration for an issue of shares in the Investee Companies and no debt will come into existence by virtue of any payment preceding the formal issue.

- 5.2 The Investment Manager shall manage the Fund in pursuit of the Investment Objective and approach as set out in this Information Memorandum and subject to any Investment Restrictions as stipulated by this Information Memorandum. Subject to such Investment Objective, approach and any restrictions, the Investment Manager shall exercise all discretionary powers in relation to the selection of, or exercising rights relating to, Investors on the terms set out in this Agreement.
- 5.3 The Investor hereby authorises the Investment Manager (and grants to the Investment Manager a power of attorney) to act on its behalf and in the name of the Investor or its nominee to negotiate, agree and do all such acts, transactions, agreements and deeds as the Investment Manager may deem necessary or desirable for the purposes of making, managing and realising Investments and managing cash funds and any other investments on behalf of the Investor and this authority (and power of attorney) shall be irrevocable and shall survive, and shall not be affected by, the subsequent death, disability, incapacity, incompetence, termination, bankruptcy, insolvency or dissolution of the Investor. This authority (and power of attorney) will terminate upon the complete withdrawal of the Investor from the Fund.
- 5.4 The Investment Objective, approach and restrictions described in this Information Memorandum shall not be deemed to have been breached as a result of changes in the price or value of certain Investments comprised in the Fund brought about through internal financial circumstances of the Investee Companies, market forces or movements in the market. In particular, the Investor acknowledges that the Investments are of a type that cannot easily be valued or realised and that the default period of holding Qualifying Shares will be at least three years for the Investor's protection since tax relief may be otherwise lost. The Investment Manager may however exercise its discretion to realise investments prior to this period with a consequent loss of tax reliefs.
- 5.5 The Investment Manager shall be responsible for negotiating and establishing all agreements or arrangements with any other third party in relation to the investment, management or custody of the assets of the Fund including, without limitation, agreements with Velocity Capital Advisors Limited in relation to the on-going support for the Investee Companies and in relation to the Custodian and any other prime broker or custodian in relation to the assets of the Fund, account opening documentation, and other annexes and all documents relating thereto.
- 5.6 The Investment Manager is authorised to give the Custodian or other third parties any instructions on behalf of the Investor which may be necessary or desirable for the proper performance of the Investment Manager's duties under this Agreement.
- 5.7 The Investment Manager shall, without prejudice to the generality of the foregoing, also provide the following Services:
- 5.7.1 the provision of written reports in accordance with the Clause 7;
- 5.7.2 keeping or causing to be kept such books, records and statements as shall be necessary to give a complete record of all transactions which the Investment Manager carries out for the account of the Investor, which the Investor shall be entitled to inspect on giving one month's notice.
- 5.8 In performing its Services, the Investment Manager shall at all times have regard to:
- 5.8.1 the need for the Fund to attract SEIS reliefs and any other tax advantages; and
- 5.8.2 all Applicable Laws.

- 5.9 The Investment Manager reserves the right to return a surplus of cash if it concludes that it cannot be properly invested for the Investor and it considers this to be in the best interests of the Investor having regard to availability of SEIS Relief for the Investor.
- 5.10 In the event of a gradual realisation of Investments prior to termination of the Fund under Clause 15, the cash proceeds of realised SEIS Investments may be placed on deposit or invested in government securities or in other investments of a similar risk profile. In carrying out its obligations hereunder, the Investment Manager will act in good faith, with due diligence and shall have regard to any other matter to which a prudent person should reasonably have regard to with respect to the proper discharge of its duties.
- 5.11 Any tax reliefs are dependent on the Investor's personal circumstances as well as the actual underlying Investments made by the Fund. In providing services to the Investor, the Investment Manager and the Custodian shall not be required to take into account taxation matters and neither shall provide tax advice. Therefore and in any event, the Investor should seek independent tax advice to determine and understand the suitability of investing in the Fund and any effect that this may have on the Investor's own position generally.

6. Terms Applicable To Dealing

- 6.1 The Investor should understand that the Fund will be invested in a number of unlisted securities which, there is generally no relevant market or exchange, consequent rules and customs and there will be varying practices for different securities. Transactions in relation to shares of such securities will be made on the best commercial terms which can be agreed.
- 6.2 Where deals are aggregated with other SEIS Investors in the Fund, the number of shares in an Investee Company held as an Investment allocated to the Investor shall be calculated with reference to the proportion which the Investor's Subscription of the Fund applied to such share purchase bears to the total Subscriptions by all Investors in the Fund at that time, provided that Investors shall not have fractions of shares. Variations may be allowed to prevent Investors having fractions of shares but only in circumstances in which there are minor variations. (If one or more of the Investors in the Fund is an accountant, lawyer or other professional person who is subject to professional rules preventing him from making an investment in a particular Investee Company, then the number of shares so allocated to that Investor or Investors shall not be taken up for the Fund and the cash value of such shares may be returned to such Investor, such that the number of shares so allocated to other Investors in that Fund would not be increased).
- 6.3 Subject to both the FCA Rules and the Investment Manager's Fund management policy (at Schedule 1 of this Agreement) the Investment Manager will act in good faith and with due diligence in its choice and use of counterparties but, subject to this obligation, shall have no responsibility for the performance by any counterparty of its obligations in respect of transactions effected under this Agreement.
- 6.4 The Investment Manager may aggregate the Investors transactions with those of other customers and of its employees in accordance with the FCA Rules. It is likely that the effect of such an allocation will not work to the Investor's disadvantage; however, occasionally this may not be the case. The Investment Manager will allocate aggregated transactions promptly on a fair basis in accordance with the requirements of the FCA Rules.

- 6.5 Subject to both the FCA Rules and the Investment Manager's conflicts of interest policy (a summary of which is included at Schedule 2 of this Agreement) the Investment Manager may make use of dealing commission arrangements in respect of deals undertaken for the Fund as may be disclosed to the Investor from time to time.
- 6.6 As an FCA authorised firm, the Investment Manager is required to take all reasonable steps to obtain the best possible result on behalf of clients when placing orders for execution that result from decisions by the Investment Manager. Set out in Schedule 3 is the Investment Manager's summary of its policy in respect of this requirement. Where applicable, the Investment Manager's decisions will normally be executed by the Custodian in accordance with its Execution Policy.

7. Reports and information

- 7.2 The Investment Manager shall send the Investor a report relating to the Fund every three months, in compliance with the FCA rules.
- 7.3 The Investment Manager shall provide further information which is under its control as the Investor may reasonably require as soon as reasonably practicable after receipt of a request from the Investor for further information.
- 7.4 Reports will include a measure of performance in the later stages of the Fund once valuations are available. Any statements, reports or information provided by the Investment Manager will state the basis of any valuations.

8. Delegation

- 8.1 The Investment Manager may delegate, in whole or in part, any of its functions, powers, and duties under this Agreement (other than functions, powers and duties connected with the exercise of discretion in relation to any Investments) to any suitably authorised person and in connection therewith may provide information about the Fund to any such person, in which case it will act in good faith and with due diligence in the selection, use and monitoring of any such person but otherwise shall have no liability in respect of such persons.
- 8.2 The Investment Manager may also employ agents to perform, or advise in relation to the performance by it or, any of the Services required to be performed or provided by it under this Agreement. The Investment Manager shall act in good faith and with reasonable skill and care in the selection, use and monitoring of any agent appointed under this Clause 8 but otherwise shall have no liability in respect of its agents.
- 8.3 The Investment Manager may from time to time change or amend the terms of the relationship with the Custodian, including the replacement thereof and negotiate such terms on an arm's length basis in good faith.

9. Assignment

- 9.1 The Investment Manager may assign this Agreement to any appropriately authorised and regulated person, such assignment being effective upon written notice to the Investor.
- 9.2 This Agreement is personal to the Investor and the Investor may not assign it or transfer it.

10. Obligations of the investor

- 10.1 The Investor's Fund which is established by this Agreement is set up on the basis of the declaration made by the Investor in their Application Form which includes the following statements by the Investor:

 - 10.1.3 the Investor agrees to inform the Investment Manager if the Investor is or becomes connected with any of the Investee Companies of the Fund or makes an Investment pursuant to sections 166, 167, 170, 171 and (for SEIS) 257BF ITA 2007;
 - 10.1.4 the Investor confirms to the Custodian and the Investment Manager that the information stated in the Application Form in relation to them is true and accurate as at the date of this Agreement; and
 - 10.1.5 the Investor will provide their tax district, tax reference number and National Insurance number to the Custodian.
- 10.2 The Investor must immediately inform the Investment Manager in writing of any change of tax status, other material change in circumstance and any change in the information provided in the Application Form to which Clause 10.1 above refers.
- 10.3 The Investor will provide to the Custodian or the Investment Manager relevant information in regard to the Foreign Account Tax Compliance Act ("FATCA") and the Common Reporting Standard ("CRS") and similar as required.

11. Management and Custodian obligations

- 11.1 The Investment Manager shall dedicate such time and attention and have all necessary competent personnel and equipment as may be required to enable it to provide the Services properly and efficiently, and in compliance with the FCA Rules.

- 11.2 The Investment Manager shall appoint the Custodian as agent for the Investor to act as custodian of the cash and other assets of the Fund.
- 11.3 The Custodian shall not be liable to the Investment Manager or to any Investor for any act or omission in the course or in connection with the proper provision of the Services rendered by it in connection with the Fund or for any loss or damage which the Investment Manager or Investor may sustain or suffer as a result or in the course of the proper discharge by the Investment Manager or any delegate of its duties in connection with the Fund, in the absence of fraud, negligence, wilful default or breach of contract directly relating to such cost, expense or liability on the part of the Custodian or any delegate.
- 11.4 Except as disclosed in any memorandum issued in relation to the Fund and as otherwise provided in this Agreement (for example on early termination or early realisation), the Investment Manager shall take reasonable steps to not take any action which shall prejudice the tax position of the Investor insofar as it is aware of the relevant circumstances, and in particular which may prejudice obtaining the SEIS Reliefs for the Fund Investments.
- 11.5 The Investors or the Investment Manager shall pay or reimburse the Custodian from time to time on demand for any transfer taxes payable upon transfers, exchanges or deliveries of securities made under the custodian agreement in accordance with this Information Memorandum.
- 11.6 The Investor indemnifies the Custodian from and against any and all direct liabilities, obligations, losses, damages, penalties, actions against the Custodian, judgements, suits against the Custodian, proper costs and expenses or disbursements (other than those resulting from fraud, negligence, wilful default or breach of contract on the part of the Custodian) which may be imposed or incurred by or asserted against the Custodian in properly performing its obligations or duties to each Fund under the custodian agreement.

- 11.8 The Custodian will hold cash subscribed by the Investor in accordance with the Client Money Rules contained in CASS 7 of the FCA Rules. Such cash balance will be deposited with an authorised credit institution in a bank account (or accounts) opened and maintained in the name of the Custodian. The Custodian at the direction of the Investment Manager may debit or credit the said account for all sums payable by the or to the Investor (including dividends receivable in cash and fees and other amounts payable by the Investor). Any interest payable on credit balances in the said account will be retained Custodian.
- 11.9 The Investor acknowledges that their investments will be registered in the name of the Nominee but it will be held on trust by the Nominee and the Investor will remain beneficial owner of the investments.
- 11.10 The Investor has accessed the Custodian's terms and conditions via the following URL:
<https://cdn2.hubspot.net/hubfs/217255/WCSL/WCSL%20Terms%20and%20Conditions.pdf>
and has read and understood the terms and confirms its acceptance to the terms and conditions of the Custodian.

12. Voting

The Investment Manager shall have discretion to instruct the Custodian to exercise the voting and other rights attaching to the Investments made by the Fund save that the Investment Manager shall at no time exercise voting rights carrying more than fifty per cent. of all voting rights which may be cast at a general meeting of the Investee Company.

13. Fees and Expenses

The Investment Manager shall receive fees for its Services, and reimbursements of their costs and expenses, as set out in this Information Memorandum. To the extent that any of this fee is not paid for whatever reason by the relevant Investee Company, the Investment Manager reserves the right to instruct the Custodian to deduct such fees from an Investor's Subscription awaiting investment and/or from any disposal or dividend proceeds arising from his/her Investments save that an Investor shall never be liable for more than his proportionate share of such fees by reference to the other Investors in the Fund who have had Investments made on their behalf in the same Investee Company.

14. Liability

- 14.1 The Investment Manager shall not be liable in respect of any act or omission of any person, firm or company through whom transactions in Investments are effected for the account of the Investor (including the Custodian) or any other third party having custody or possession of the assets of the Investor from time to time, or of any clearance or settlement system.
- 14.2 The Investment Manager shall not be liable for any loss to the Investor arising from any investment decision made in accordance with the Investment Objectives and the Investment Restrictions or for other action in accordance with this Agreement, except to the extent that such loss is directly due to the negligence or wilful default or fraud of the Investment Manager or any of its employees.
- 14.3 The Investment Manager gives no representations or warranty as to the performance of the Fund. SEIS Investments are high risk Investments, being Non Readily Realisable Investments. There is a restricted market for such Investments and it may therefore be difficult to sell the Investments or to obtain reliable information about their value. Investors should consider the suitability of investment in SEIS Investments carefully and note the risk warnings set out in this Information Memorandum.
- 14.4 The Investment Manager will not be responsible for any loss of opportunity whereby the value of the Investor's Fund could have been increased or for any decline in the value of the Investor's Investment howsoever arising, except to the extent that such loss or decline is due to the Investment Manager's negligence, wilful default or fraud or that of any of its directors or employees.
- 14.5 The Custodian shall not be liable in the event of the insolvency of any bank with which any funds of the Custodian have been deposited, nor in the event of any restriction on the ability of the Custodian to withdraw funds from such bank for reasons which are beyond its reasonable control.
- 14.6 If the Custodian should fail to deliver any necessary documents or to account for any Investments, the Investment Manager will take all reasonable steps on the Investor's behalf to recover such documents or Investments or any sums due or compensation in lieu thereof but subject thereto to the Investment Manager's general duty of good faith, shall not be liable for such failure.
- 14.7 The Investment Manager may be separately engaged by some of the unquoted companies that the Fund will invest in to assist those companies to raise finance. The Investment Manager will receive a fee from each such unquoted company for its services.

- 14.8 The Investment Manager will not be liable for any loss arising from errors of fact or judgement or any action taken (or omitted to be taken) by it howsoever arising except to the extent that any such error or action (or the omission thereof) is due to the Investment Manager's negligence, wilful default or fraud or that of any of its directors or employees.
- 14.9 The Investment Manager shall be entitled to rely absolutely upon and shall not incur any liability (save for any liability resulting from the negligence, wilful default or fraud of the Investment Manager) in respect of any action taken or thing suffered in good faith in reliance upon any paper or document believed to be genuine and to have been signed and sealed by the proper parties or be in any way liable for any forged or unauthorised signature or seal affixed to any document and in discharging its duties hereunder the Investment Manager may, in the absence of manifest error, rely without enquiry upon all information supplied to it by the Investor, the Custodian, the Investment Consultant or any of their respective directors, officers, employees or agents. The Investment Manager may accept as sufficient evidence of any instructions, notice or other communication given to it by the Investor, the Custodian, Velocity Capital Advisors Limited or any of their respective directors, officers, employees or agents any document or paper signed or purporting to be signed on behalf of the Investor, the Custodian or Velocity Capital Advisors Limited or any of their respective directors, officers, employees or agents by such person or persons whose signature the Investment Manager is for the time being authorised to accept.
- 14.10 The Investor shall indemnify and keep indemnified the Investment Manager and the directors, officers, employees and agents of the Investment Manager from and against any and all liabilities, obligations, losses, damages, suits and expenses (including legal expenses) which may be incurred by or asserted against the Investment Manager in its capacity as Investment Manager of the Fund other than those resulting from the negligence, wilful default or fraud on its or their part and other than expenses incurred by the Investment Manager for which it is responsible hereunder.
- 14.11 In the event of any failure, interruption or delay in the performance of the Investment Manager's obligations resulting from acts, events or circumstances not reasonably within the Investment Manager's control (including, but not limited to: acts or regulations of any governmental or supranational bodies or authorities; breakdown, failure or malfunction of any telecommunications or computer service or services; and acts of war, terrorism or civil unrest) the Investment Manager shall not be liable to the Investor for consequential loss in the value of, or failure to perform investment transactions or the account of, the Fund.
- 14.12 Nothing in this Agreement shall exclude or restrict any duty or liability to the Investor which the Investment Manager may have under the FCA Rules.

15. Termination

- 15.1 The Investment Manager shall notify the Investor of the date on which the Fund will terminate. For the avoidance of doubt, this date will be determined by the Investment Manager. On termination of the Fund, all the shares in the Investor's Fund shall be transferred into the Investor's name or as the Investor shall otherwise direct.
- 15.2 The Investor is entitled to withdraw his Investments to the extent those Investments comprise:

- 15.2.1 Relevant Shares which are admitted to official listing in an EEA state or to dealings on a recognised investment exchange, at any time after the fifth anniversary of the date the Relevant Shares were issued;
- 15.2.2 other Relevant Shares, at any time after the seventh anniversary of the date of the Relevant Shares were issued;
- 15.2.3 shares other than Relevant Shares, at any time after the end of the period of six months beginning with the date those Relevant Shares ceased to be Relevant Shares (and the Investor will be notified in writing as soon as reasonably practicable after any shares comprised the Investor's Investment cease to be Relevant Shares); and
- 15.2.4 cash, at any time.

The Investment Manager will have a lien on all assets being withdrawn or distributed by the Investor and shall be entitled to dispose of some or all of the same and apply the proceeds in discharging any liability of the Investor to the Investment Manager in respect of damages or accrued but unpaid fees. The balance of any sale proceeds and control of any remaining investments will then be passed to the Investor. This Agreement shall terminate upon the completion of the withdrawal from the Fund of all Shares and cash which the Investor is entitled to receive under this Clause 15.2.

- 15.3 The Investment Manager may terminate this Agreement upon giving not less than three months written notice to the Investor.
- 15.4 If the Investment Manager does not give the Investor at least three months' written notice of its intention to end its role as Investment Manager under this Agreement or the Investment Manager becomes insolvent or the Investment Manager ceases to be suitably authorised by the FCA, the Investment Manager shall endeavour to make arrangements to transfer the Fund to another fund manager which is suitably authorised by the FCA, in which case that manager will assume the role of the Investment Manager under this Agreement, failing which the Agreement will terminate immediately and, subject to Clause 16, the Investments in the Investor's Fund will be transferred into the Investor's name or as the Investor may otherwise direct.
- 15.5 This agreement may also be terminated by written notice given by Investors representing not less than 75% of the cash subscribed to the Fund to the Investment Manager and which notice specifies another fund manager, which is suitably authorised by the FCA, which is prepared to act as the manager of the Fund in place of the Investment Manager in which case that manager will assume the role of the Investment Manager under this Agreement.
- 15.6 It is noted that any termination of Sapphire Capital Partners LLP as the Investment Manager shall not affect the performance fee due to it as detailed in Part Four: Fees and Costs. Therefore, Sapphire Capital Partners LLP's share of the performance fee will remain payable to Sapphire Capital Partners LLP in the case that a new manager assumes the role of the Investment Manager under this Agreement.

16. Consequences of Termination

- 16.1 Pursuant to Clause 15 the Investment Manager will use reasonable endeavours to complete all transactions in progress at termination expeditiously on the basis set out in this Agreement.

- 16.2 Termination of this Agreement will not affect any right intended to survive termination and will be without penalty or other additional payments save that the Investor will pay fees, expenses and costs properly incurred by the Investment Manager and the Custodian up to and including the date of termination and payable under the terms of this Agreement.
- 16.3 On termination, the Investment Manager may retain and/or realise Investments as may be required to settle transactions already instigated and to pay the Investor's outstanding liabilities, including fees, costs and expenses payable under Clause 13 of this Agreement.

17. Risk warnings and further disclosures

- 17.1 The Investor's attention is drawn to the risk factors set out in this Information Memorandum.
- 17.2 The Investment Manager will not borrow money on behalf of the Investor, nor lend securities or enter into stock lending or similar transactions. For clarity, the Investee Companies may borrow money or enter into similar transactions.
- 17.3 The Investment Manager cannot require Investors to add further monies to the Fund following the Subscription.

18. Conflicts of Interest

- 18.1 The Services of the Investment Manager hereunder are not to be deemed exclusive. The Investor acknowledges that the Investment Manager and its members, officers, employees or persons connected with the Investment Manager will from time to time act as director, investment manager, manager, investment adviser or dealer in relation to, or be otherwise involved in, investments and investment funds. Members, officers, employees or persons connected with the Investment Manager may personally make Subscriptions to the Fund. In respect of such positions, the Investment Manager may have similar or different objectives to that of the Investor. It is therefore possible that any of them may, in the course of business, have potential conflicts of interest with the Investor. The Investment Manager will, at all times, have regard in such event to its obligations to the Investor and will endeavour to ensure that such conflicts are resolved fairly.
- 18.2 For the avoidance of doubt, under the circumstances set out in Clause 18.1, the Investment Manager shall not be required to account for any profits earned in connection therewith.
- 18.3 In accordance with the FCA Rules, the Investment Manager has in place a policy to manage conflicts of interest (the "Conflicts Policy") which sets out how it identifies and manages conflicts of interest. A summary of this policy is set out at Schedule 2.

19. Complaints

The Investment Manager has in operation a written procedure in accordance with the FCA Rules for the effective consideration and proper handling of complaints from customers. Details of this procedure are available from the Investment Manager on request. Should the Investor have a complaint, they should contact the Investment Manager. If the Investment Manager is unable to resolve the complaint to the Investor's satisfaction, the Investor may be entitled to refer the complaint to the Financial Ombudsman authority.

- 22.1.1 the disclosure of which by it to the Investor would or might be a breach of duty or confidence to any other person; or
 - 22.1.2 which came to the notice of an employee, officer or agent of the Investment Manager, but does not come to the actual notice of the individual making the decision or taking the step in question.
- 22.2 The Investment Manager and the Investor shall at all times respect and protect the confidentiality of information acquired in consequence of this Agreement except pursuant to any right or obligation to or by which the Investment Manager or the Investor may be entitled or bound to disclose information under compulsion of law or pursuant to the requirements of competent regulatory authorities including, without limitation, the FCA.
- 22.3 Nothing in this Clause 22 shall prevent:
- 22.3.1 the disclosure of information by any party to its auditors, legal or other professional advisers in the proper performance of their duties;
 - 22.3.2 the disclosure by any party of information which has come into the public domain other than through its fault or the fault of any person to whom the information has been disclosed; or

Communications shall be sent to the Investor (whether postal or electronic) to the last address notified to the Investment Manager and shall be deemed received by the Investor on the second day after posting or on the day after dispatch in the case of electronic communication.

- 25.2.4 in accordance with all other Applicable Laws

26. Entire Agreement

This Agreement, together with the Application Form constitutes the entire agreement between the parties relating to its subject matter and supersedes and extinguishes any prior drafts, agreements, undertakings, representations, warranties and arrangements of any nature, whether in writing or oral, relating to such subject matter.

27. Severability

Schedule 1:

Fund Management Policy

1. The Investment Manager shall authorise investment in Qualifying Companies in line with the Investment Objectives and Investment Restrictions of the Fund as set out in this Information Memorandum,
2. The Investment Manager understands that new shares in Investee Companies should be held for no less than the SEIS Three Year Period to obtain the benefits of SEIS.
3. The Investment Manager may consider exiting an investment before the expiration of the SEIS Three Year Period if the growth of an investment has outperformed the market and covers any loss of tax benefit. The Investment Manager may also exit an investment if an Investee Company is the subject of a trade sale.
4. After the expiration of the SEIS Three Year Period, the Investment Manager will review opportunities for exiting an investment as they arise.

Schedule 2:

Policies to govern conflicts of interest

As required by the FCA rules the Investment Manager has a policy to identify, prevent or manage effectively any conflicts of interest that may occur from its business. The Investment Manager considers:

- the conflicts that may arise between its own interests or those of persons linked to it such as employees and those of clients.
 - between different clients such as different funds it manages.
- ii• This consideration extends to reviewing potential gains and incentives. A log of what types of conflicts may arise is kept and actively monitored.

The Investment Manager revises the policy on an at least annual basis, and additionally undertakes ongoing monitoring of compliance with the policy.

Schedule 3:

Execution policy

1. When executing orders on behalf of Investors, the Investment Manager is required to take all sufficient steps to obtain the best possible outcome. It is a requirement of the FCA that certain execution factors are taken into account including: price; costs; speed; likelihood of execution and settlement; size and nature of the order or any other consideration relevant to the execution of the order. The Investment Manager may give speed, likelihood of execution and settlement, the size and nature of the order, market impact and any other implicit transaction costs precedence over the immediate price and cost consideration only insofar as they are instrumental in delivering the best possible result in terms of the total consideration to the Investor.
2. The Investment Manager will use its commercial judgement and experience to determine the relative importance of the execution factors. In making such a determination the Investment Manager will consider the market information available and also take into account the execution criteria. The Investment Manager must take into account the following execution criteria for determining the relative importance of the execution factors: the characteristics of the client; the characteristics of the order; the characteristics of financial instruments that are the subject of that order and the characteristics of the execution venues to which that order can be directed.
3. The range of activities presently undertaken by the Investment Manager does not include placing orders with brokers or dealers. If the Investment Manager places orders with brokers or dealers for execution the investment Manager will satisfy itself that the broker or dealer has arrangements set up to enable the Investment Manager to act in accordance with its best execution obligations to its clients. Specific arrangements will be set up in order that brokers will confirm that they will treat the Investment Manager as a Professional Client and will therefore be required to provide best execution.

A certified restricted investor is an individual who has signed, within the period of twelve months ending with the day on which the communication is made, a statement in the following terms:

"RESTRICTED INVESTOR STATEMENT"

I make this statement so that I can receive promotional communications relating to non-readily realisable securities as a restricted investor. I declare that I qualify as a restricted investor because:

(a) in the twelve months preceding the date below, I have not invested more than 10% of my net assets in non-readily realisable securities;

and

(b) I undertake that in the twelve months following the date below, I will not invest more than 10% of my net assets in non-readily realisable securities.

Net assets for these purposes do not include:

(a) the property which is my primary residence or any money raised through a loan secured on that property;

(b) any rights of mine under a qualifying contract of insurance; or

(c) any benefits (in the form of pensions or otherwise) which are payable on the termination of my service or on my death or retirement and to which I am (or my dependants are), or may be entitled; or

(d) any withdrawals from my pension savings (except where the withdrawals are used directly for income in retirement).

I accept that the investments to which the promotions will relate may expose me to a significant risk of losing all of the money or other property invested. I am aware that it is open to me to seek advice from an authorised person who specialises in advising on non-readily realisable securities.
